**LETTER REGARDING PATENT TERM ADJUSTMENT**

The Patent Term Adjustment (PTA) calculation included in the Issue Notification mailed January 6, 2010 for the above-referenced application indicates the PTA is 832 days. This PTA is calculated based on an Applicant delay of 60 days, which appears to be incorrect. In good faith and candor, Patentees direct the Office's attention to two Requests to Withdraw from Issuance filed in April 2009 and August 2009, for which no Applicant Delay was assessed.

Patentees believe that no fee is due at this time. Any fees that may be due, however, may be applied to Deposit Account No. 06-1050.

Respectfully submitted,

Date: 4/26/10
